Additional Notes:
· Ballots are being hand counted for the recount, after electronic tabulation on election

day.

- All personnel assisting with the recount currently hold an appointed or elected office, and because of their position, they are currently under an Oath of Office. All tabulators have been administered an Oath of Office.
- Sealed ballot bags and all materials from the election were stored in the conference room located directly off the board room where the recount was conducted. The remaining recount supplies were located in the board room itself. The conference room was locked and secured during at all times that the board was recessed, including lunch periods. The board room was guarded during lunch recesses, and was emptied of all materials overnight, since the room is unable to be locked.
- There were NO provisional ballots in any municipality.
- Poll book review and reconciliation was done by spot checking.
- Absentee ballot review was accelerated when the number of envelopes matched.

Michael J. Doyle, Green County Clerk
